

** VOCALEYE ALMOST LIVE ZOOM | THANK YOU!

As we wrap up Season 4 of Almost Live, we want to extend our heartfelt thanks to each and every one of you. It is an absolute pleasure to spend our Wednesday evenings with you all.

Your letters of support, generous donations, and unwavering encouragement have been instrumental in helping us navigate through this season. Your donations made it possible for us to complete this season with only minimal cuts to programming. And your overwhelmingly supportive letters helped convince our funders to support the program next season! Thanks to you, Almost Live is still alive and we're thrilled to launch our new season in September!

But before we do, we want to give a special shout out and thank you to the 34 talented guests artists who joined us this season. We are so grateful for that you shared with us and for all that we learned and experienced together.
